

LAX Coastal Magazine & Business Guide

The LAX Coastal Magazine is one of our annual publications, provided as a resource to our members, local businesses, and community residents to learn more about our organization and the LAX Coastal region. It features a directory of Chamber members, articles on pressing topics, member spotlights, local resources, and more information on how the LAX Coastal Chamber is the core of business within our area.

This Magazine is published once a year, distributed locally and digitally, and is used by both businesses and residents as an annual resource guide to our community.
