

LAX Coastal Magazine & Business Guide 2025

The LAX Coastal Magazine is our annual publication, provided as a resource to our members, local businesses, and community residents to learn more about our organization, our members, and the LAX Coastal region. It features a directory of Chamber members, articles on pressing topics, member spotlights, local resources, and more information on how the LAX Coastal Chamber is the core of business within the LAX Coastal area.

This Magazine is published once a year, distributed locally and digitally, and is used by both businesses and residents as an annual resource guide to our community.

This year's magazine and directory will hit storefronts and mailboxes in early May, 2025.
